Merry Christmas & Have a very Happy &
Prosperous New Year!

Sister Brenda Beswick, Provincial President

Hello fellow Elk members!

Hope everyone is enjoying the awesome weather.

I have visited a few lodges already and will continue to do more. If you have a function happening and would like me to attend don't hesitate to ask me. If I'm not busy I'll try to make it there. I'm asking all District Reps to make sure lodges are updating the lodges contact information please. If it's not updated we can not get in touch with you.

The Walk-A-Thon was a success. I attended bowling and there was plenty of fun had by all. Hope to have more members attend these events.

Next up is Mid-term which will be held in Saskatoon January 26 and 27th. I hope there is more members that attend so if you want to say something about what is happening you may do so then.

I would like to take this time to wish each of you a Very Merry Christmas and All the Best in 2024. Enjoy your holiday but remember Do Not Drink and Drive. Please have a Safe Ride home.

See you all in 2024.

Sister Brenda Beswick,
Provincial President

Christmas Greetings to all from The Saskatchewan Elks Senior Homes committee and residents. We are still able to keep our units filled and more people waiting to get in. We still continue to do upgrades as necessary to keep the Homes in good condition and comfortable for all residents. A great place for local low-income Seniors to call home at our various locations.

Great News - SPARC

We have a new program setting up, we will be opening a Bank Account in their system at the Jim Patterson Children's Hospital, we would be in charge of our own money.

If your lodge wants to donate to SPARC send the donation payable to the SK Elks Foundation err marked SPARC and Charlotte will put it into a special SPARC account, once we have a substantial amount of money to go to SPARC, we will go down there and make a presentation, get photos and get some publicity.

If your lodge has any ideas on promotional material for the child to take home a care package, please submit your ideas to the Provincial Office.

*Remember we have Chem-Free
Graduation Grants of \$50.00.*

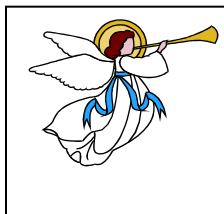

*Let's promote this and help our
Graduates have a safe Celebration on
their accomplishment of graduating
High School.*

*Send in requests to the
