

Charlie the Elk's 1st Birthday Children's Event

On June 24, 2026 (10:00 AM – 2:00 PM) at the Nipawin Fair Grounds (Elks Booth Area), we will host Charlie the Elk's 1st Birthday Party, a large-scale children's event designed to bring families together and showcase Elkdom in action.

This is not just a birthday party — it is a Provincial children's event that demonstrates who we are as an organization. It is an opportunity for the Saskatchewan Elks to visibly and meaningfully invest in the children of our communities.

If we want Elkdom to grow, remain relevant, and be respected in our communities, this is exactly the type of event we must stand behind — together.

Event Highlights

- Rock-Paper-Scissors Tournament (4 divisions: A, B, C, D)
Each division winner receives a bicycle (sponsor donated)
- 10 Hockey Tickets already secured as prizes (actively seeking more)
- 7 Mascots invited for photos, interaction, and a full day of fun
- Free Pancake Lunch for all children
Pancakes generously donated by Parrish & Heimbecker
Still urgently requiring: oranges and juice boxes
- Working to secure cupcakes for every child to complete the celebration

This is a provincial initiative, and its success should reflect provincial unity. I am strongly encouraging every Lodge to contribute in some way — not out of obligation, but out of commitment to the principles we promote. Even a modest contribution from each Lodge will collectively create something truly meaningful for the children we serve.

Let us take this opportunity to show leadership, pride, and unity within Elkdom. The impact of this event will be seen not only in one day, but in how our communities view the Elks moving forward.

I thank you in advance for your support and ask that you respond as soon as possible so we can finalize planning and ensure no child is left out.

Fraternally yours,

Dave Waldner
