#### **6.4.5. HISTORY OF PEACE 100**

In the Fall of 1990, GER Bro. Dick Hollier on his visit to Nipawin, mentioned that there was a need for a project to raise funds for Drug Awareness. During discussions, it was suggested that maybe a Snowmobile Rally could be held and hosted by the Nipawin Elks.

As the PEACE 100 is a Provincial event, a committee of Nipawin Elks was formed and met with the RCMP to get information on Drug Awareness. Members of the RCMP advised us they had a Drug Awareness Program already in place called PACE (Police Assisting Community Education). A suitable name was needed for the rally. After much discussion between the RCMP and the Elks, a revised name was agreed upon (PEACE – Police-Elks Assisting Community Education).

On consulting with the Sask. Snowmobile Association, the second weekend in February was selected as a date for the PEACE 100 Rally.

In the first year 1991, there was 170 snowmobiles participating. The second one had 230 and close to 300 by the third year. During the first two years the PEACE 100 raised \$50,000 towards Drug Awareness. In 2012, the Sask. Elks Foundation decided to discontinue their relationship with the RCMP. The rally name was changed to Provincial Elks Assisting Community Education with funds being directed to Elks Charities. The PEACE was discontinued shortly after.
