Merry Christmas & Happy New Year

SK ELKS ASSOCIATION

PROVINCIAL PRESIDENT'S MESSAGE: BRO. JOHN VOUTOUR

Brother and Sister Elks,

I have had the pleasure of visiting a number of Lodges within our Province and also took in the Provincial Bowling in Melfort it was well organized and enjoyed bowling and the fellowship that weekend. I am looking forward to our Mid-Term Meeting in Saskatoon in the new year we have a lot of work to get done at the meeting.

We will be discussing the up and coming Trucks for Bucks Lottery for 2022 and also reviewing last year's Trucks for Bucks Lottery and discuss if there are any areas to improve it.

We will also be looking at putting in the Trucks for Bucks Lottery in the Constitution as it has not been entered at this time. These are but a couple of issues we will be looking at.

I would like to take this time to wish all a Merry Christmas and a Happy New Year.

Fraternally Yours
John Voutour

Trucks and Bucks 2022

The Sask. Elks Association and Foundation will be holding the Trucks and Bucks Lottery again in 2022. The outstanding success of our first annual Trucks and Bucks Lottery last spring means let's do it again! Net proceeds to the Foundation were substantial. Complaints were few, and were handled promptly. The 2022 Lottery and accompanying 50/50 Draw will be very similar to the 2021 Lottery, with some minor adjustments. There will likely be a Loyalty Draw, where previous buyers will be offered a special deal. Ticket package prices will be slightly altered to maximize sales. 50/50 ticket packages will be sold only with truck ticket packages, same as this year. The Committee will have five members: the Lottery Chair, Harold Claffey; the Foundation Chair and Vice Chair, Joe Calder and Bill Tarr; the Association President and First Vice President, John Voutour and Kyle Stevenson and the Executive Administer Charlotte Watson. Net proceeds are expected to double. The launch will be in the spring.

Elks and Royal Purple Elks members in Saskatchewan who want to know more about the inner workings of the Lottery and why we do what we do, are invited to contact the Chairman anytime for inside information.
